RE: QQ-001294

Dear Ms. Borger:

On behalf of the Loudoun on 7, LLC PPEA proposal team, we have reviewed Loudoun County's comprehensive plan (including related environmental, land use and facility standards ordinances, where applicable), infrastructure development plans, transportation plans, the capital improvements plan and capital budget, and other government spending plans. We find the team's proposal to develop a new Government Administrative Center for the County to be compatible with all of the above.

If you have any questions, please do not hesitate to contact us.

Very truly yours,
